LETTER OF APPRECIATION

Ali Model English School greatly appreciates the funding drive that was successfully run during difficult times of Covid -19 by Bhavya Bellannagari in San Jose (Bay Area, CA, USA).

It is greatly admired that being at a distance of thousands of miles, Bhavya took care of very deserving students who are affiliated to this school and who depend on external resources for their education that otherwise they will not be able to acquire. These kids are fortunate as they found kind supporters and volunteers who work hard to make sure that students in the underprivileged areas of the world get equal opportunities to grow.

Your contribution will go a long way.

We wish you all the best for your future endeavors.

Warm regards

AALIYA MARYAM

Principal
